Prof. Sibgha Zulfiqar
(Chairperson & Dean)

Prof. Saadia S. Alam
(Chief Editor)

We bid farewell to Prof. Sibgha Zulfiqar our Patron in Chief Proceedings and Honorable Chairperson & Dean as she attains super annuation after 3 decades of service at SZMC Lahore. Her impeccable and whole hearted commitment to the entire Complex and especially to Proceedings facilitated us to achieve international recognition in the Directory of Open Access Journals (DOAJ), List of CPSP recognized Journals, over 3 years of HEC Y Category Indexation, all the while maintaining Our OJS supported Proceedings website of international standards which connects us to the world. We will truly miss her and wish her the best of health and Allah's Blessings in her future endeavours.

The current COVID 19 Pandemic wave has re-struck China as it suddenly relaxed its Zero Covid policy allowing unrestricted intermingling of the populace causing indeterminable number of COVID infections and tens of thousands of fatalities reported by WHO. Global warming, hunger and war have impacted global health significantly. In these rapidly changing scenarios, we steadfastly publish a diverse January to March 2023 Proceedings articles on varied aspects of medical, surgical, and allied health disciplines. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.

*Our Editions have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings. Our nexus of undergraduate and postgraduate researchers, supervisors, academicians, and reviewers remains imperative to achieving rigorous standards of research, writing and evaluation in Proceedings. Our desire is to build linkages with top journals and researchers both in the country and abroad
In Sha Allah.*
