Message by the  
Chairperson Shaikh Zayed Medical Complex  
&  
Chief Editor of Proceedings

We have achieved 2 years of HEC Y Category Indexation. Our OJS supported Proceedings website of international standards connects us to the world.

The COVID 19 Pandemic has nearly subsided into random cases of the Omicron variant while Dengue has once again reared its head. In the changing scenario we steadfastly publish a diverse April to June 2022 Proceedings articles on varied aspects of these and diverse medical, surgical and allied health disciplines. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.

Our Editions have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings. Our nexus of undergraduate and postgraduate researchers, supervisors, academicians, and reviewers remains imperative to achieving rigorous standards of research, writing and evaluation in Proceedings. Our desire is to build linkages with top journals and researchers both in the country and abroad In Sha Allah.

Our Motto “We Venture Forth”
