***Bismillah Hir Rehman Nir Raheem.  
In the name of Allah, the most Beneficent and the most Merciful***

***Message by the  
Chairperson Shaikh Zayed Medical Complex  
&  
Chief Editor of Proceedings***

***Prof. Sibgha Zulfiqar***  
(Chairperson & Dean)

***Prof. Saadia S. Alam***  
(Chief Editor)

***Our Oct to Dec 2022 Proceedings heralds our Induction into the DOAJ a premier global repository of open access journals. Along with 3 years of HEC Y Category Indexation and renewed PMDC recognition it is a culmination of continuous efforts. Our OJS supported Proceedings website of international standards connects us to the world.***

***Catastrophic floods impacting one third of Pakistan in September have led to multiple public health crises with outbreaks of malaria, dengue , gastroenteritis & cholera in the rain swamped areas. Public, Governmental, Armed Forces and Global humanitarian responses are ongoing. Meanwhile COVID 19 cases have declined. Our Current Edition publishes articles on pediatrics and maternal health, obstetrics, medical, dental, orthopedics and basic health research. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.***

***Our Editions have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings. Our nexus of undergraduate and postgraduate researchers, supervisors, academicians, and reviewers remains imperative to achieving rigorous standards of research, writing and evaluation in Proceedings. Our desire is to build linkages with top journals and researchers both in the country and abroad and further international indexations.***

***In Sha Allah.***

***Our Motto “We Venture Forth”***
