Message by the
Chairman Shaikh Zayed Medical Complex
&
Chief Editor of Proceedings

As the year 2020 ends we proudly announce Proceedings recognition and funding from Higher Education Commission of Pakistan (HEC). We thank them for reposing their confidence in us Awarding “Y” Category Placement, an Honor Indeed.

We are now indexed by PMC, Google Scholar, CrossRef/DOI PASTIC and PakMedinet

Efforts are underway for International Indexation

The Oct to Dec 2020 Proceedings presents a COVID 19 Pandemic Editorial and a diverse Proceedings with international and indigenous, basic and applied research on varied aspects of public health, therapeutics and diagnostics. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.

Developing the potential of our young and dynamic reviewers is in full swing. Four Team Members have already graduated from the Publons Academy and are certified Reviewers.

As Our Editions reflect we have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings.

Our vision is to create an R&D Department at SZMC in collaboration with The National Health Research Complex (NHRC), develop a new Proceedings website of international standards and build linkages with top journals and researchers both in the country and abroad

With

Prayers for a COVID 19 Free 2021, In Sha Allah.
