Message by the

Chief Editor of Proceedings

Prof. Saadia S. Alam
(Chief Editor)

We have achieved 3 years of HEC Y Category Indexation. Our OJS supported Proceedings website of international standards connects us to the world.

In the era of rapidly changing scenarios, global warming, life threatening heat waves, floods, wars, famine and disease encompassing the globe we steadfastly publish a diverse July to September 2023 Proceedings articles on medical, surgical, and allied health disciplines. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.

Our Editions have achieved expanded viewership with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings. Our nexus of undergraduate and postgraduate researchers, supervisors, academicians, and reviewers remains imperative to achieving rigorous standards of research, writing and evaluation in Proceedings.
Our desire is to build linkages with top journals and researchers both in the country and abroad.

In Sha Allah.

Our Motto “We Venture Forth”
