Former Head of Department of Medicine, Shaikh Zayed Medical Complex, Lahore

A Shaheed With A Legacy of Service to the Nation
We present our Jan to March 2021 Edition with Prayers for the Good Fortune and Wellbeing of All. As the COVID 19 Pandemic rages, it is a moment to capitulate the personal, emotional and physical toll endured by humanity in general and especially frontline workers during the previous year. The sudden loss of our very own Prof. Zia Ullah to this deadly disease has left us an indelible memory.

For Proceedings 2020 was a year of achievements Alhumdolillah, with development of a new website of International standards supported by the OJS/PKP Platform for online submission www.proceedings-szmc.org.pk. During the year we got recognition and funding from Higher Education Commission of Pakistan (HEC). We thank them for reposing their confidence in us Awarding “Y” Category, an Honor Indeed.

We are now indexed by PMC, Google Scholar, CrossRef/DOI PASTIC and PakMedinet.

Efforts are underway for International Indexation.

The Jan to March 2021 Proceedings presents research on COVID 19, health care, basic sciences, therapeutics and diagnostics. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.

As Our Editions reflect we have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings.

Our vision is to create an R&D Department at SZMC in collaboration with The National Health Research Complex (NHRC) and build linkages with top journals and researchers both in the country and abroad
